

DM602 S3

B&W
Bowers & Wilkins

Although similar in concept to the DM601 S3, the DM602 S3 enjoys the benefits of a larger cabinet and a 180mm woven Kevlar® cone bass / midrange driver to give a more extended bass response and higher output capability. The outer layer of the double skinned baffle construction is moulded from mica-filled polypropylene – strong yet well damped acoustically. The profile is attractively contoured, the rounded vertical edges reducing diffraction.

<i>Description:</i>	2-way vented-box system	<i>Impedance:</i>	8Ω (minimum 3.0Ω)
<i>Frequency range (-6dB):</i>	40Hz and 42kHz	<i>Dimensions:</i>	H 490mm W 236mm D 293mm H 19.3" W 9.3" D 11.5"
<i>Power handling:</i>	120W into 8Ω	<i>Weight:</i>	10.5 kg / 23.1 lbs.
<i>Sensitivity:</i>	90dB spl (2.83V, 1m)
