

CCM 60

Flush mount digital monitor

Product Summary

- The CCM 60 is designed as an easy to fit, flush mount loudspeaker offering the possibility of true Hi-Fi sound in many different applications. Its smaller circular profile is ideal for discrete ceiling and wall-mount applications.
- The CCM 60 features a high sensitivity of 90dB and a coaxial 2-way drive unit, a 165mm polypropylene bass/midrange driver and bass response to an impressive 60Hz. Once fitted the grille can be painted, providing a discreet, space saving and 'child proof' alternative to conventional 'box' loudspeakers.
